Integrate, expand and customise - the perfect supplement to every application

The fully structured range of system accessories for the new Klippon® TB enclosure series allows you to easily adapt the enclosures to meet the specific requirements of every application.

Mounting hardware kits

Mounting hardware kits are available for quick and easy installation of type label holders, document holders and rain hoods.

The **label fastening set – SD** is required to install a plastic (Trafolyte) ID or type label. With the aid of this set can you mount the ID or type label directly on the enclosure cover. The label fastening set has been specially developed for this purpose. Only by using this fastening set can you ensure that there will be no leaks into the enclosure or damage to the label.

The **universal fastening set – TPSD** has been developed to enable secure and quick installation of type label holders, rain covers or document holders, for example. By using this fastening set, the risk of leaks can be minimised, if not avoided.

General ordering data

Version	Klippon TB (Terminal Box), Mounting screw, Material: Steel
Order No.	0642600000
Type	FKSC M6X8 D9/SW3
GTIN (EAN)	4008190058258
Qty.	50 pc(s).

FKSC M6X8 D9/SW3

Technical data

Dimensions and weights

Depth	7 mm	Depth (inches)	0.276 inch
Height	8 mm	Height (inches)	0.315 inch
Width	8 mm	Width (inches)	0.315 inch
Net weight	1.52 g
