Our MCP plotters complement the Weidmüller MultiCard concept and can be used with Weidmüller's M-Print® PRO software. They are particularly suitable for printing individual markers or parts of MultiCards. The positioning frame for SlimFix markers sizes 4 to 6 can be used to print MultiCards for terminals, cables, wires, and devices. The MCP label positioning frame is used to print labels.

General ordering data

Version	Identification systems, Adapter
Order No.	1762440000
Type	ADAPTER ALU STI-S
GTIN (EAN)	4032248044504
Qty.	1 pc(s).
