The u-maker box is the ideal basis for realising your own applications with the Raspberry Pi. The modular and expandable housing impresses with many features. The internal accessories allow electronic components, 3rd party boards, and other components to be installed. The external holder is compatible with simple action cam accessories. This allows the u-maker box to be mounted flexibly in many places or supplemented with external accessories.

**General ordering data**

Version	Electronics housings black, Width: 120.4 mm
Order No.	<a href="#">2887690000</a>
Type	UH20-RPI-4-BASE
